

## What do our High Rocks Girls say about camp?

Campers say camp was a safe and challenging environment that helped them connect with people and friends in a new way.

Campers say camp made learning fun, and that camp was a personal and self-reflective space.

Girls at camp connect with new people from across the state and the country, and strengthen their relationships with caring college mentors and adults

*“High Rocks has always been a second home for me and a very safe place. I can't think of any other place I've been connected to so many people and learned so many things while feeling relaxed and happy. Also I have very good friends here and I feel respected.” High Rocks Girl*

# Why High Rocks Camps for Girls?

## WHAT IS NEW BEGINNINGS CAMP?

New Beginnings is a 13-day summer camp that is a “classroom without walls” for 7th and 8th grade girls. At camp you’ll take part in wilderness challenges, horseback riding, creative projects, academic classes, and a discussion group about issues you face in your daily life in your communities. Girls at camp take classes, eat

meals, share stories around the campfire, become strong leaders, and end up making life-long friends and amazing memories in the process.

**Learn: Horsemanship, Math, Science, Art, Creative Writing, and Leadership!**

High Rocks is an award-winning leadership program that has been creating opportunities for transformative education and service learning for more than 20 years. The High Rocks mission is to educate, empower, and inspire young people in West Virginia. Our alumni are leaders around West Virginia and the country.

## WHO ARE WE LOOKING FOR?

**We are looking for girls who are passionate, gifted, bright, looking for a challenge, are ready to use their gifts to help improve the world around them. and want to have fun and make new friends!**

## WHAT IS CAMP STEELE?

Camp Steele is a 16 day camp for 8th-12th grade girls, where each picks one “major” class to be in several hours of the day. These “tracks” are modeled after college freshman seminars, and are project-based. They tend to go deeper than traditional high school classes. We also offer STEM experiences and writing classes for all girls each day. These are great chances for girls to find things they are really interested in pursuing in the future, while making real progress towards college and life beyond high school.

**Session 1: Camp New Beginnings**  
Last 2 weeks in June  
**Session 2: Camp Steele**

Last 2 weeks in July

**Learn: Social Movements, Food Revolution, Media Lab, Construction, Art and Activism, STEM, Preparing for College and more**

### Frequently Asked Questions:

#### How much does camp cost?

All girls who are accepted to camp will be eligible for a full scholarship. Family donations help make camp possible for all.

#### How do I apply?

Visit our website [www.highrocks.or](http://www.highrocks.or), call our office, or talk to your recruiter to help you with the application.

#### Can I bring my phone?

Part of the High Rocks experience is taking a break from electronics, and it’s one thing campers end up loving!
