CAMPFIRES

30

After two years of pandemic disruption, our High Rocks Academy summer camps returned to normal programming and normal campfires.

STUDENT COST

\$0

\$0.89 of each dollar raised and donated directly supports our programming and students.

**AMERICORPS
TUITION BILL**

High Rocks champions a historic legislative initiative making West Virginia the first state in the US to offer tuition and fee waivers for AmeriCorps members' service at institutions of higher learning.

STUDENT JOBS & SCHOLARSHIPS

Financial support direct to participants including Junior Counselors; Youth Advisory Board; student employees at the Hub, Tech Express, and Ruby Grow; student leaders in the First2 Network; and to our High Rocks scholarship recipients.

\$280,706

**WORKFORCE
DEVELOPMENT**

High Rocks and partners formed the West Virginia Jobs Network – a coalition connecting great jobs with skilled talent. We are providing Power Skills certification to job seekers, supporting a career placement web platform and resume bank, and developing workforce training opportunities for employers and employees.

YOUNG LEADERS ENGAGED

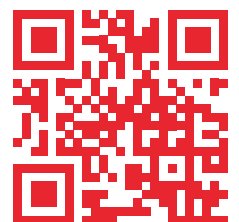

210

These leaders, ages 12 – 29, include New Beginnings and Camp Steele campers, AmeriCorps members, Junior Counselors, Youth Advisory Board members, college interns, and participants in our earning and learning programs including the First2 Network.

FRESH PRODUCE

3,092 LBS

Grown by our Local Foods program at our Ruby Grow site, High Rocks Lodge, and community growing locations these healthy veggies went to feed our program, local schools, food pantries, and farmers' markets.
